

Columbia Falls Aluminum Company Plant
AVAILABILITY SESSION / OPEN HOUSE

What — The EPA invites you to an Availability Session/Open House about the Columbia Falls Aluminum Company Plant site investigation. EPA staff will be available to answer questions and to discuss current site activities, the Superfund program and how it benefits communities, and how the public can be involved in decision-making related to the site investigation.

When — August 5, 2015, from 7:00 pm to 8:30 pm

Where — City Council Chambers, Columbia Falls City Hall,
130 6th St., West Columbia Falls, Montana

This will be an informal discussion, and participants may drop in any time during the session. Refreshments will be served.
